A QUICK SUMMARY...

- Accomplished, energetic and goal-driven, I offer over 25 years of experience in the fast-paced environments of entertainment, fashion, beauty, pharmaceutical and B2B fields.
- A self-starter with excellent technical skills in digital design, high-end retouching and typography allows me to design for scalability across all media.
- A clear communicator and active team player, I am highly effective at collaborating with creative, project and production leadership to oversee projects from concept to completion according to budget and schedule goals.
- Strong organizational and multitasking skills allow me to work with minimal supervision if needed.
